OBJECT: Cessation of sales of TFT products by 9315-6214 Québec Inc.

Madam, Sir,

We want to inform hereby that 9315-6214 Quebec Inc. (Transfotec International) has decided to put an end to its commercial activities, including the sale of TFT products.

This decision is effective immediately which implicates that no new purchase order will be accepted as from now. That being said, all orders accepted this day will be completely honored and products delivered before May 30th, 2017.

Warrantees always in force given on TFT products will be also honored via your authorized retailer Luminergie. More specifically, for any claim we invite you to communicate with an authorized agent at rma@luminergie.com

An exception to what precedes: transformers with adjustable intensity - i.e. with regulator or "Dimmer" - from TFT. Indeed, they will continue to be offered at the Luminergie retailers who will treat your orders for this type of products.

Regarding your future needs and your questions concerning the availability of TFT products, we invite you to communicate with madam Josée Lajeunesse EMD technology at josee.lajeunesse@emd-tech.net

We thank you for your confidence and assure you of our commitment to continue to offer you exceptional service through Luminergie, as well as maintaining a tradition of excellence and of innovation in the course of upcoming years.

Éric Audy, president
